COVID 19

- Please note that masks are required in our office as per Anchorage mandate.
- Please do not come to the office if you are experiencing COVID symptoms. Please call your primary care provider or go to the nearest emergency room.
- All patients undergoing an outpatient procedure are required to have a negative COVID test prior to the procedure. COVID tests are done 48-72 hours prior to the procedure depending on which location you are scheduled at for your procedure. Please bring your COVID lab slip to the testing site. Please let your testing site know that you are getting a pre-procedure COVID test.

Anchorage Testing Locations:

- 3841 Piper Street (Providence) Suite T211 M-F 7AM-6PM and Saturday 7AM-3PM
- Regional Hospital. Please call to schedule testing appointment 264-2055.

Matsu Valley Testing Location:

- Capstone Wasilla 3122 East Meridian Loop M-F 8AM-8PM, Saturday and Sunday 10AM-6PM 907-864-4642
